By IIM-A Alumni

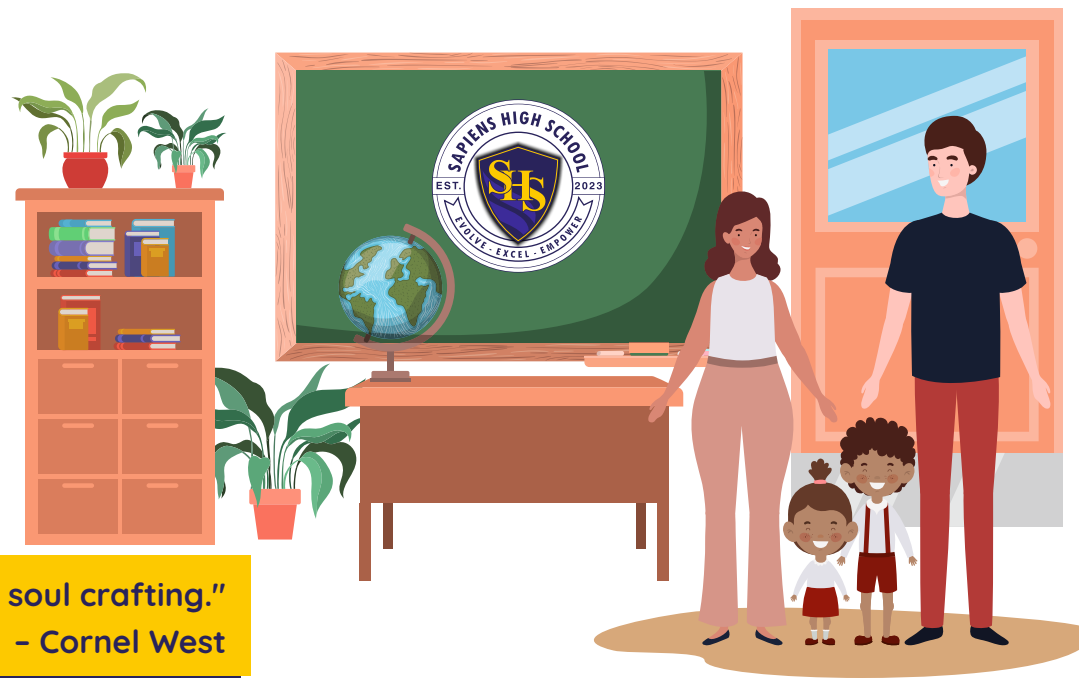

## Welcome to Sapiens High School

“Where Cognitive Excellence Meets Holistic Development”

### Message from the Founders and Chairpersons

After a decade in education, we firmly believe schooling shapes not just careers but character and life values. At Sapiens High, we focus on creating an innovative learning environment that fosters curiosity, skills, and a strong moral foundation. Balancing academics, values, and co-curricular activities, we aim to nurture compassionate, well-rounded individuals who contribute positively to society.

We warmly invite you to explore Sapiens as we re-dedicate ourselves every day to imparting the very best education to young minds.

**"Education is soul crafting."  
- Cornel West**

**SAPIENS: [sey-pee-uhnz] - Of, relating to, or resembling modern humans.**

“Once upon a time, there was a special group of creatures called Sapiens. They were curious, creative, and loved to learn. Unlike any other creatures, they could imagine, create, and work together to build amazing things!”

- At Sapiens High, established in 2023, children are encouraged to grow their minds, think critically, and care for the world around them. The school teaches more than just academics—it fosters teamwork, kindness, and the ability to lead with big ideas.
- Conceptualized by an IIM Ahmedabad alumnus and a distinguished academician, Sapiens High stands at the intersection of curiosity and education.
- At Sapiens High, we believe that great minds working together can make the world a brighter place for everyone. Join us in shaping the future!

## At Sapiens

Our Play-based curriculum supports the holistic development of children aligned with the recommendations of the National Education Policy 2020. Our approach is multifaceted, interdisciplinary, mindful, and rooted in experiential learning.

### • Pp1 - PARICHAY • Pp2 - AKSHAR VATIKA

Where Childhood Blossoms

- Age Group- 3yrs- 6yrs
- PG to KG

### EVOLVE

Unleashing Potential, Shaping Futures

- Age Group- 6yrs- 11yrs
- 1st - Vth

### EXCEL

Achieving Excellence, Celebrating Success

- Age Group- 11yrs- 14yrs
- VI - VIII

### EMPOWER

Inspiring Leaders, Creating Change Makers

- Age Group- 14yrs-17yrs
- IX -XII

## STE[a]M Approach

“

Integrates **Science, Technology, Engineering, Arts, and Mathematics** to foster critical thinking, creativity, and problem-solving skills. Emphasizes hands-on, experiential learning, encouraging students to make connections across these disciplines.

”

### ***The Broken Kite***

*One sunny day, five friends - Newton (Science), Tesla (Technology), Edison (Engineering), DaVinci (Arts), and Jazzy (Music) - were flying a kite in the park. Suddenly, the kite crashed and tore apart!*

*“We can fix this together!” said Newton.*

*Newton studied the wind and explained, “We need the kite to catch the wind better.”*

*Tesla used his tablet to show a simple design for a stronger kite.*

*Edison built a sturdy frame using sticks and tape.*

*DaVinci decorated the kite with colorful patterns to make it beautiful.*

*Jazzy played a happy tune while they worked, lifting everyone’s spirits.*

*When they finished, the kite flew higher than ever, and the friends cheered.*

*“Teamwork makes everything possible!” they laughed.*

## Why SHS ?

### • Holistic Development

- Emotional Development
- Programs designed to nurture and balance IQ, EQ, & PQ
- Critical Thinking Skills
- Conflict Resolution skills
- Character Formation
- Healthy Social Skills
- Core Academics
- Hands on Lessons
- Manners

### • Preparation for Life

- Real-World Readiness
- Adaptability
- Meaningful Contribution

### • Developing Cognitive Excellence

Critical thinking, creativity, and problem-solving skills through Group Discussions & Extempore, etc.

### • Exploration Beyond Academics

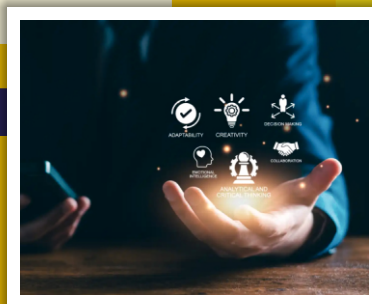

- Field trips
- Mindfulness exercise
- Open-minded discussion

“

### This happens only in SHS

- Image Counselling classes
- SRTs (Situation Response Test)
- Group Discussions
- One on One counselling
- Individual career counselling
- Mentor ship program

”

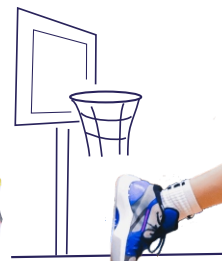

## Beyond Academics

### Cognitive Clubs

- Mun
  - Health and Wellness
  - Quiz Warrior Quiz club
  - Creative club
  - Forum club
  - Ted Ed club
  - Nature club
  - I.T. club
  - Shutterbug club
  - Amise-Toi club
- Drama club
  - Astronomy club
  - Adventure club
  - Amigos club
  - Culinary club
  - Community club
  - Filmit club
  - Path Mitra club
  - Math club
  - Tourism club

### Sports

- Archery
- Athletic
- Swimming
- Cricket
- Basketball
- Volleyball
- Taekwondo
- Tennis
- Badminton
- Skating
- Table Tennis
- NCC
- Yoga

Why SHS?

## Academics

### Educational Framework

- NEP enabled curriculum
- Interactive & participative lectures
- STE[a]M-based hands-on learning
- Value based education
- Concept of shadow teaching
- Soft skills training & counseling sessions
- Mentorship programs

### Value Lab

### Cognitive Activities

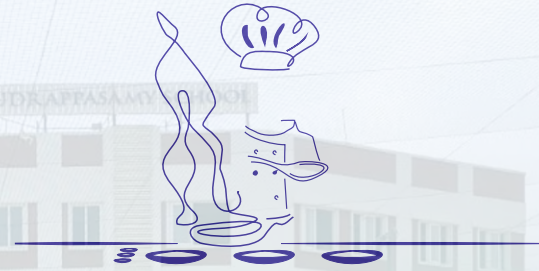

- Memory & Observation Games
- Life Mapping
- Storytelling & Sequencing
- Career vis-à-vis Character Development
- Brain Teasers & Creative Thinking Activities

## Infrastructure

- Lush green & sustainable campus
- Smart classrooms & digital learning platforms
- Art, Music, and STE[a]M labs
- Safe transportation & CCTV surveillance

Value Lab

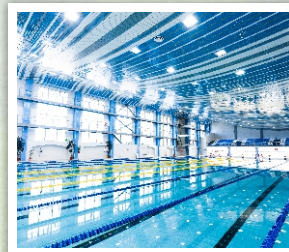

Smart Classroom

- Day Boarding
- Transportation
- Cafeteria
- Value Lab

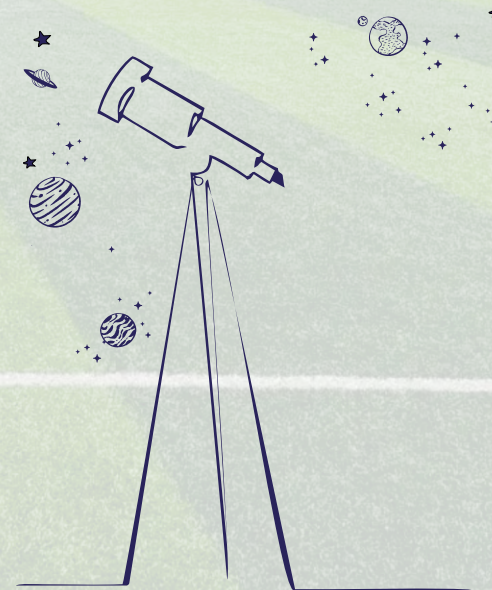

Swimming Pool

Art Cottage

Music Lab
